HEALTH INFORMATION

HEALTH INFORMATION REQUIRED

Attention Parents of all Trinity students: Please let the school health aide know if there are any medical conditions affecting your child. It is very important to keep all health information up-to-date so we can provide your child with proper care during school hours. This information should be submitted in writing to Trinity's Health Aide, Ms. Cindi Hupcej, before the first day of school.

A special form must be completed by you and your doctor before any medication is allowed to be dispensed to your child during school hours. The form can be obtained by contacting Ms. Hupcej at 216-581-5771, visiting the Business Office or downloading it from www.ths.org/Health.

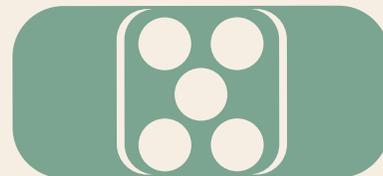

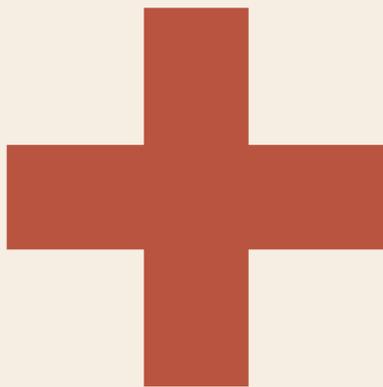

All incoming freshmen and transfer students must have a complete immunization record, as required by the Ohio Department of Health, on file in the school clinic before orientation day on August 14.

STUDENT ACCIDENT INSURANCE

Trinity High School has purchased an accident insurance policy for all students. This policy is written through McGowan & Company. The program insures all students, including athletes, for all school-related injuries.

However, this insurance program is supplemental coverage. Your own insurance company, if any, must be presented with the original bills. Trinity High School's insurance covers, in most cases, what is not paid by your insurance. The amounts reimbursed include deductibles, co-payments, and co-insurance amounts under standard insurance programs, as well as all charges for which there is no insurance. The policy includes a schedule of benefits that may limit payments for some medical procedures and charges.

Students who sustain an athletic-related injury should ask for insurance forms from Mr. SanFilippo. Students injured outside of athletics should contact Ms. Hupcej at 216-581-5771.

ATHLETIC INFORMATION

MANDATORY SPORTS PHYSICALS

Each student, prior to trying out for any sport, must have a copy of the official 2018-19 OHSAA Pre-Participation Examination Form on file in the Athletic Director's office. Trinity's Athletic Department has partnered with FinalForms, an electronic forms and data management service which allows parents to complete and sign athletic participation forms online for their children. To get started with registration, go to www.thsathletics.org and click on the Forms section.

Physical forms from other organizations, like CYO, are not accepted. Make sure you schedule an appointment for your physical as soon as possible. Physicals for fall sport athletes (football, soccer, volleyball, cross country, golf, and cheerleading) should be completed prior to July 30.

Please contact Mr. SanFilippo, Athletic Director, at tsanfilippo@ths.org with questions.

ATHLETIC FEES AND FUNDRAISING

The following is a brief summary of more detailed information that is distributed separately by the Athletic Director:

- The sports participation fee is \$100 for each sport played. This fee is expected to be paid once your child makes a team. It may be paid to the Athletic Director, Business Office, or a representative at the mandatory parent meeting prior to the start of each season. **Please note, team uniforms are distributed only to those paid in full.**
- The fundraising fee for all athletes is \$200 (\$250 maximum per family). Football sweepstakes tickets may be sold to fulfill this fundraising obligation. To order tickets, use the green athletic form that you receive in the mail in late July, or contact Mr. SanFilippo at 216-581-5746 or tsanfilippo@ths.org.

MANDATORY OHSAA MEETINGS FOR ATHLETES AND THEIR PARENTS

All sports have a mandatory OHSAA meeting for **athletes and parents** before the season begins. These meetings cover a variety of topics, including school medical insurance, training rules, and athletic eligibility. The mandatory meeting for all **fall athletes and parents** will be held Thursday, August 9, at 7:00 PM in the gym. Meetings for winter and spring sports are announced prior to each season's start.
