

Trinity High School 2025-2026 School Supply List

Supplies ALL students should have for all of their classes

Loose-Leaf Paper - college ruled; several packs

Erasers

Pencils -several boxes

Folders - at least one for each class

Pens - several boxes of blue/black

Highlighters - multi-colored

Technology

All current students have been issued a Trinity Chromebook, charger, and case. All incoming students (freshman and transfer students) will be issued a Trinity Chromebook, charger, and case at the start of the school year. The students are expected to **FULLY CHARGE THEIR CHROMEBOOKS AT HOME EACH NIGHT** and bring them to school the next day. The charge should last the whole school day. Students should NOT expect to be able to charge their Chromebooks at school due to the fact that there are very few places to charge them and the chargers tend to get lost when brought to school. The Chromebooks will be used in class most days. **Cell phones are not allowed in the classrooms!**
