SHAPE YOUR PATH

Shape your path at Trinity High School as we prepare our students for the real world.

Trinity's college-prep curriculum, Pre-Professional Internships, an energetic faith formation program, and championship athletics make Trinity High School the place to prepare for your future. There is something for everyone at Trinity!

Our numerous co-curricular activities help expand your interests and make you a well-rounded young adult, while classes taught by passionate teachers, including Honors and Advance Placement, will help you succeed now and into your future.

Join us today and find out why students from schools across Northeast Ohio call Trinity home!

PREPARE FOR YOUR FUTURE WITH PRE-PROFESSIONAL INTERNSHIPS

70+

Businesses and organizations in the greater Cleveland area see the potential in our students and the Pre-Professional Internship Program. This represents a significant investment from the community, and plenty of opportunities for professional experiences beyond the classroom for our students.

In addition to your college-prep work in the classroom and being active in our co-curricular activities you will participate in Pre-Professional Internships.

Starting your junior year and continuing through your senior year, you will experience a one-day-a-week internship related to a career you are interested in exploring as a profession. In addition to expanding your network of learning, you will take away invaluable workplace experiences and connections in the professional communities.

What's more, Trinity is the only Catholic high school in our area to offer a comprehensive, sophisticated career preparation program. As a Trinity student you will gain a competitive advantage that will set you apart from your peers who attend other high schools when you apply for college admission and scholarships.

LEADING INNOVATION

Trinity's Pre-Professional Internships focus on three specialized tracks and one generalized:

Health Care – specialized

Graphic Design – specialized

Information Management & System Design – specialized

College and Career Readiness – generalized

A FAMILY OF FAITH

COMPASSIONATE SERVANT LEADERS

Trinity High School is first and foremost a Roman Catholic and Christian faith community. We cultivate courage in young people to use many forms of prayer, especially the sacrament of the Eucharist, to deepen and strengthen their personal relationship with Jesus Christ. Our ministry program is rooted in the Franciscan tradition of service to one another and to others in need.

LIFE-CHANGING RETREATS

Trinity's retreat program is known as the best in area Catholic schools. The foundation comes not only from the heart of the community, but from dedicated students and faculty members who prepare retreats for our students. All students at Trinity attend a class retreat each year, and have the option to serve on many others. Retreats are designed to meet the developmental and spiritual needs of our students. Our unique family atmosphere fosters an amazing experience for everyone that lasts well beyond the actual retreat.

ACADEMIC FACTS

22 & 13:1

Smaller class sizes mean more attention from teachers. With an average class size of 22 and a 12:1 student-to-teacher ratio, students get the personalized attention needed to ensure their academic success at Trinity and beyond!

1:1 CHROMEBOOK

Provided for each student to enhance the learning process.

95% OR MORE

Of our graduates continue their education at the college level.

30% & 24%

30% of Trinity's faculty and staff are alumni, while 24% either have their children attending Trinity or have sent their students to Trinity.

WE'LL GET YOU COLLEGE-PREPARED & CAREER-READY

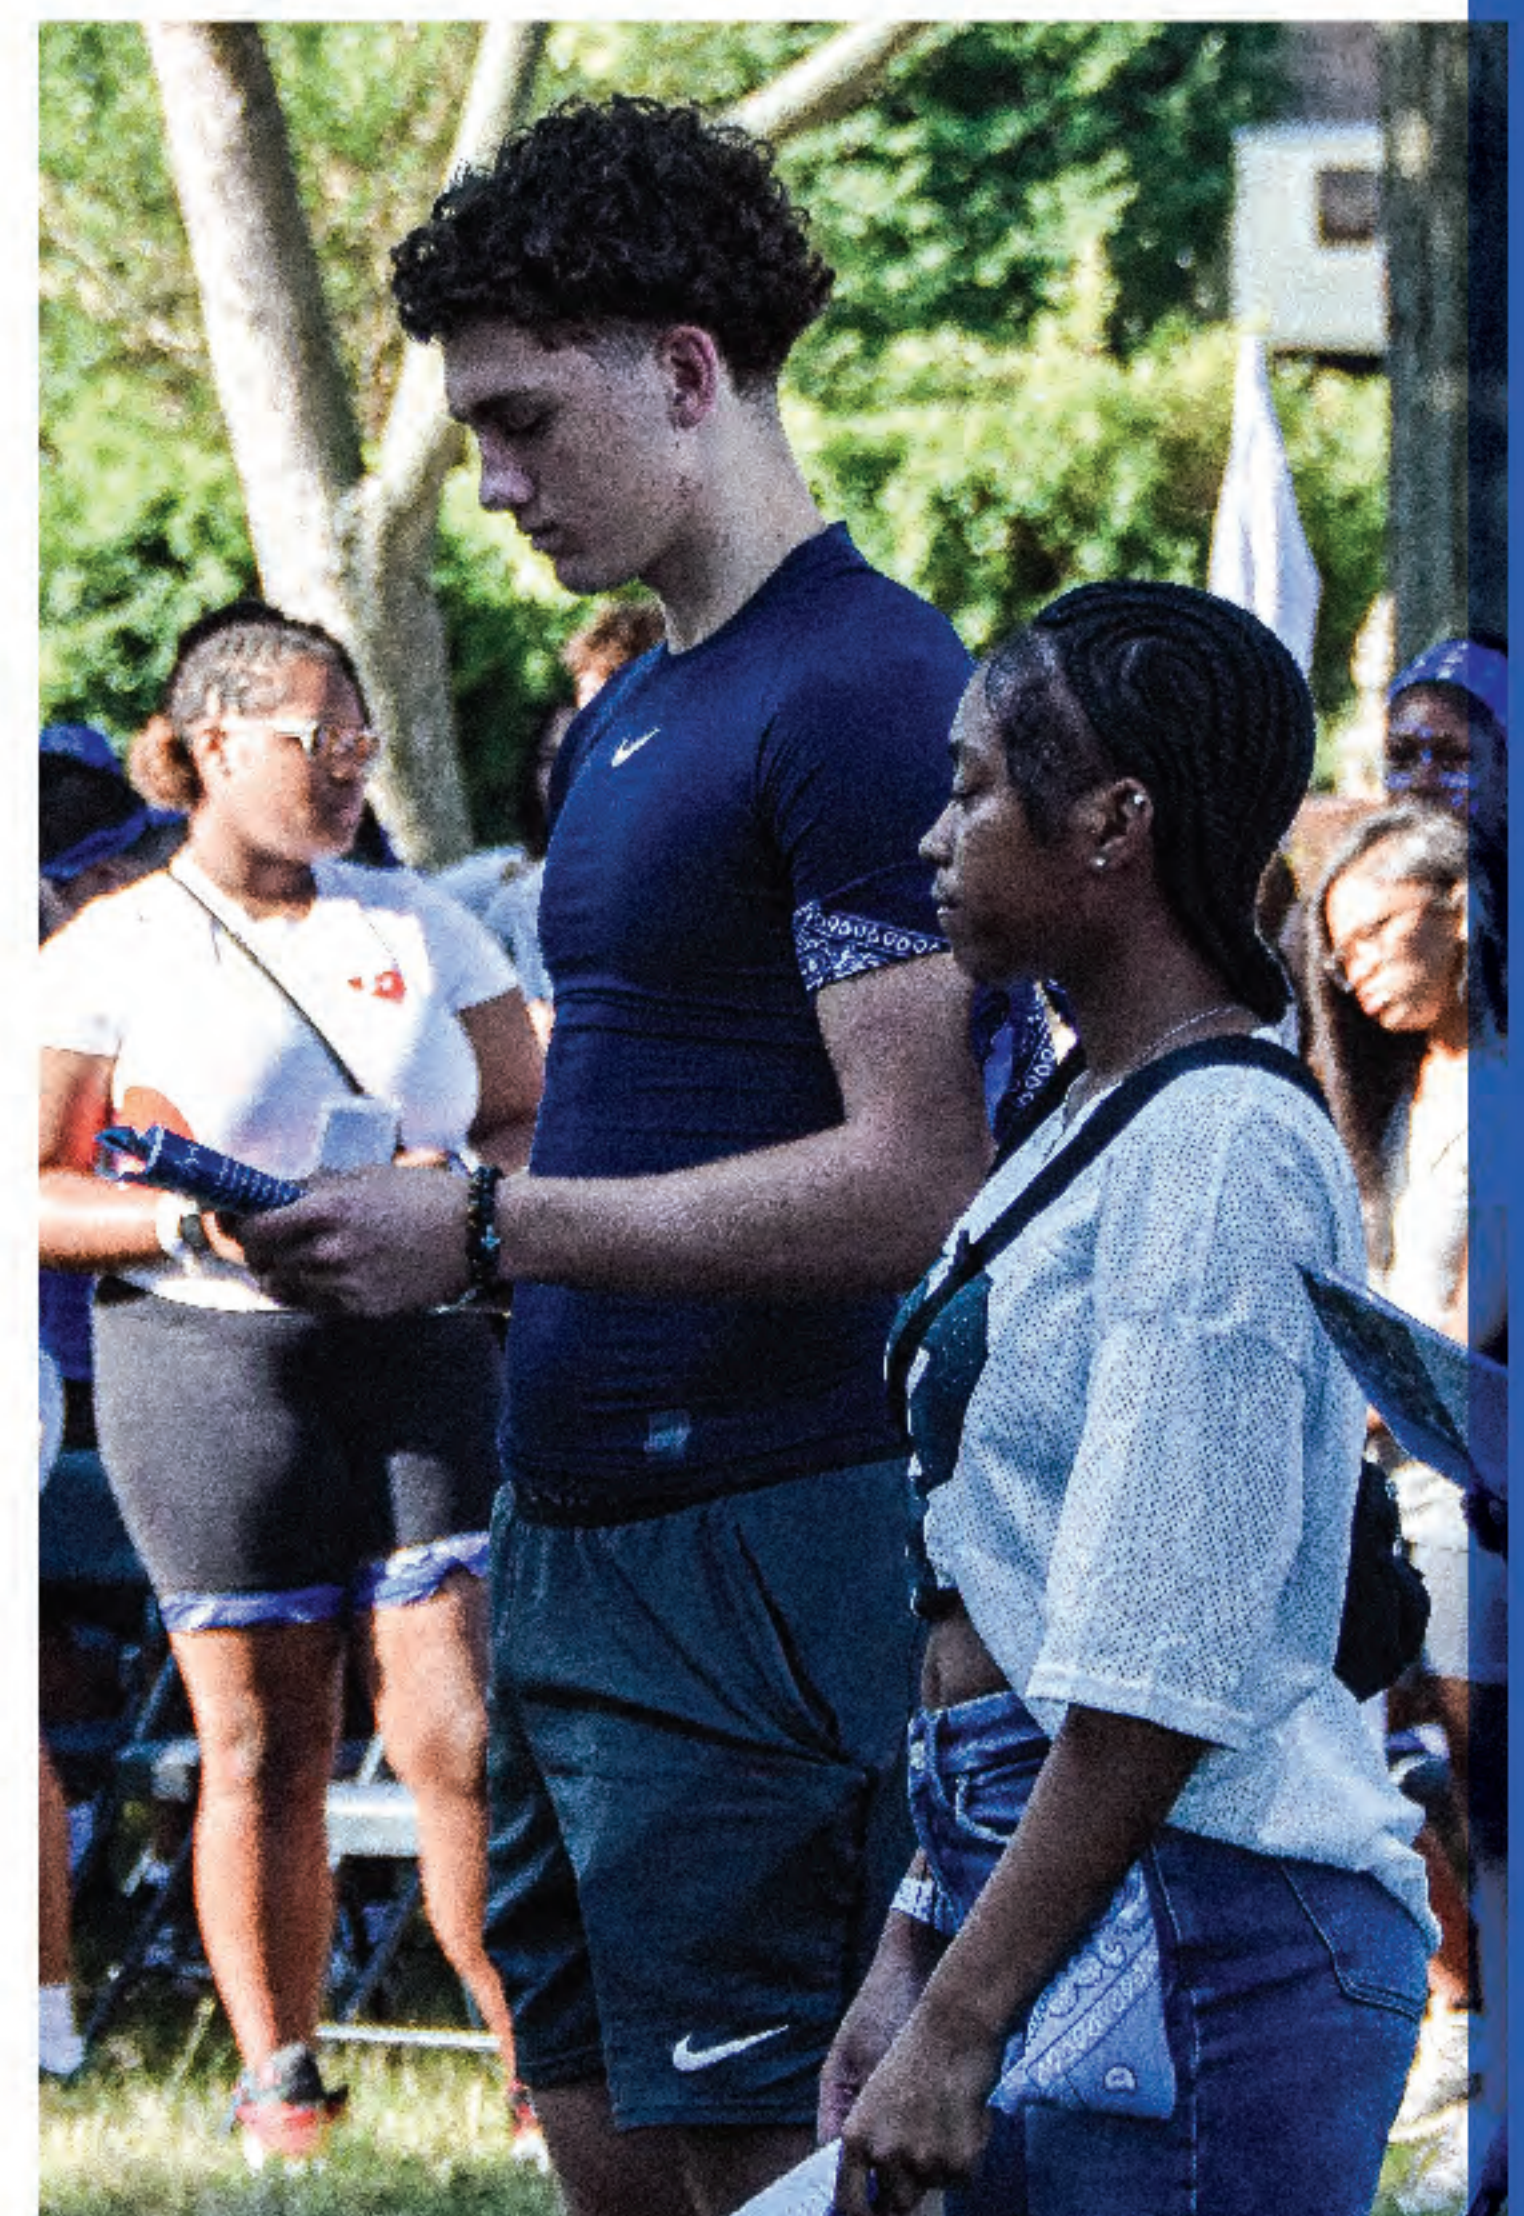

Are you College or Career Bound?

In just a few short years you will begin the process of applying to colleges — hard to believe when you have not even applied to a

high school! At Trinity, our one-of-a-kind Pre-Professional Internships, honors and Advanced Placement courses, ministry program and vast array of co-curriculars will help a Trinity graduate stand out amongst other college applicants, which in turn helps them earn scholarships and acceptance into their dream college or university.

4x4 BLOCK SCHEDULING

At Trinity our schedule operated on a block schedule, which will help you prepare for life in college. You will have a set of four classes during our fall semester, then a new set of four classes for the spring semester. Taking only four classes helps allow better time management for the co-curriculars you love!
